"REQUEST FOR REVIEW"

We, the Petitioners, file this "Request For Review" asking the NLRB to overrule the January 8 "Decision And Order" handed down by Michael J. Karlson, Acting Regional Director. We think the decision is wrong, because we filed our petitions before there was a contract in place. All of our petitions were filed before the union told the employees of the company that the contract had been ratified. We think it is wrong to say that ratification happened on the day we voted because you can't say that a contract is in place before you count the votes. No one knew the results until much later and after our petitions were submitted.

Thank you for your consideration of this request.

Sincerely,

Derek Anderson
